

## SAND SLIDE FATAL TO LAD

MASTER EDWARD JOHNSTON McPHERSON OF THIS PLACE.

Eldest Son of President Judge and Mrs. Donald P. McPherson, of Gettysburg.

Master Edward Johnston McPherson, eldest son of President Judge and Mrs. Donald P. McPherson, met with an accidental death on Monday evening, the news of which sent a heartache through this community. The boy was in his 14th year and at home, in school and to every one was known as "Ted" McPherson. He was an unusual boy, of bright mind, excelling at school, of gentle manners, courteous and thoughtful, yet always a happy, joyous boy, popular with his schoolmates and most attractive to all who knew him. Early in July he went with his younger brother Donald to the boys' camp in the Pocono Mountains in Monroe county, Pa. The camp of about 20 boys was in charge of Hans Frolicher, Jr., and his staff of assistants. Saturday afternoon "Ted" with a number of the other boys was playing hide and seek among the sand dunes about the lake. He went with three companions to a sand ledge to hide and the boys were lying on the ground when the sand started to slide covering the four boys. The accident was seen and the work of rescue started at once, the boys being uncovered from the sand. Dr. Estes of St. Luke's Hospital, Bethlehem, and Dr. Luder of Pocono Pines, who happened to be in the vicinity at the time were rushed to the scene of the accident. As quickly as the boys were recovered they were revived, but "Ted" McPherson never regained consciousness, though the physicians continued their efforts at resuscitation for three hours. In the opinion of the physicians death was without suffering, being from suffocation and shock.

Edward Johnston McPherson was born Nov. 10, 1903. He graduated in June from Meade School, and leaves as a memory to be cherished, an ideal of happy, considerate and gentle mannered boyhood.

Mrs. Catharine Eckenrode, widow of William H. Eckenrode, of York, died Sunday night in the home of William Loneneker near York from shock of an auto accident. Mrs. Eckenrode together with her sons, William H. and David, were approaching York on the Carlisle road shortly before 7 o'clock. William H. Eckenrode, who was driving stopped to adjust part of the driving mechanism of the car. As he did so it turned on the right side, went partly into the ditch and caused the car to lean. Mrs. Eckenrode, who was in the rear seat, is said to have screamed when the car tilted. This for the moment disconcerted her son and he brought the car to a stop instead of going ahead. As he did so the car tilted to such an extent that it could not be righted in time and it turned over on its top into the ditch at the side of the road. All of those in the car were thrown and none but Mrs. Eckenrode was seriously hurt. Mrs. Eckenrode's injuries consisted of only small cuts and bruises about the face and body, but none of these was thought to have caused her death. The physician stated that the shock upon a weak heart was the direct cause of death. Mrs. Eckenrode recovered only a short time ago from a severe heart attack. Mrs. Eckenrode was a native of Adams county, a daughter of the late Sheriff Klunk. She leaves six children, David M., Mary G., Pauline C., Marguerite T., Catherine A. and William H. Eckenrode, all of York. She also leaves two sisters, Mrs. Esther Hemler of Allentown and Mrs. Fannie Gowen of Gettysburg.

Mrs. Martha Eleanor Wills, wife of John C. Wills, died very suddenly at her home on Baltimore street Monday evening. She had been in her usual health during the day. She was the youngest child of Ephraim and Ruth Martin and was born in Gettysburg. She is the last surviving member of her family. Her age was 81 years, 8 months and 24 days. In 1895 she was married to John C. Wills and has spent her entire life in Gettysburg. Besides her husband she leaves three children: Miss Ruth Wills, John R. Wills, Miss Louise Wills, Miss Margaret Wills, Miss Frances Wills and Charles M. Wills, all of Gettysburg. Funeral was on Wednesday, services by Rev. J. B. Baker, assisted by Rev. D. M. ## LUTH. SUMMER ASSEMBLY

STARTS NEXT WEEK LARGER THAN EVER BEFORE.

A United Assembly in Recognition of the 400th Anniversary of the Reformation.

Several hundred more people in town may not be so apparent to our people with the town well filled now, but the Eleventh Lutheran Assembly beginning next week, Aug. 5th, will unquestionably bring the largest gathering of that assembly ever held. Advanced requests for accommodations tell of the large size of the assembly.

## Five Mile Dry Zone at Camps.

On Monday the Secretary of War released the following order for a five mile dry zone around military camps under authority given the President by Act of Congress:

No person, whether acting individually, or as an officer, member, agent, representative or employee of a corporation, partnership or association, or as an individual shall in or within five miles of any military camp, except as hereinafter provided, sell or barter, directly or indirectly, either alone or with any other article any alcoholic liquor, including beer, ale or wine, to any person, or give or serve any such alcoholic liquor to any person, except that this prohibition against serving or giving alcoholic liquor shall not apply to the serving of wines or liquors in a private home to members of the family or to bona fide guests therein other than officers or members of the military forces; and no person, whether acting individually or as a member, officer, agent, representative or employee of any corporation, partnership or association, or as an

agent, representative or employee of an individual shall send, ship, transmit or transport in any manner or cause to be shipped, transmitted or transported in any manner, any alcoholic liquors, including beer, ale or wine, to any place within five miles of any military camp, except for use in his home as hereinafter authorized; provided, that where the existing limits of an incorporated city or town are within five miles of a military camp, the prohibition upon the sale, barter, gift, service, sending, shipment, transmission or transportation of alcoholic liquors imposed by this regulation shall not apply to any part of the incorporated city or town distant more than one-half mile from said camp.

Under authority of Section 13, of the same act, the keeping or setting up of disorderly houses within five miles of any military camp, station, fort, post, cantonment, training or mobilization place being used for military purposes by the United States, is prohibited.

What the order means in Gettysburg has not yet been demonstrated.

## County Jails in Discard.

It has been apparent for years that the county jail was a back number and would be in the discard. Governor Brumbaugh has approved the bill which practically abolishes the county jail and substitutes industrial farm workhouses and reformatories.

The State is divided into nine districts. Adams county is in the third district with Dauphin, York, Cumberland, Perry, Northumberland, Lebanon and Lancaster. These farms will be controlled by a board of trustees consisting of one county commissioner appointed by the President Judge of the Quarter Sessions Court in each county. There is no compensation for their work but the trustee will be entitled to the collection of their expenses. This board will select a site for the work farm, which may be donated or purchased, but if purchased will consist of not more than 500 acres. The inmates are to be employed in fruit growing, stock raising, brick making and the preparation of road and paving materials. The site will have railroad, drainage, sewage and water facilities.

The trustees are to be named to serve until the expiration of their present terms and after that they are to be named for four-year terms. The courts of the various counties are empowered to send the inmates of the county jails and prisons to these workhouses, and it is the duty of the superintendent to keep the inmates employed. It is also provided that habitual drug-users are to be sent to these institutions.

Thus passes the county jail where prisoners were confined and usually fed very well and for the greater part did not do a stroke of work, sat around in corridors playing cards and games, swapping tales. It has been an environment that did not provide for the man's improvement. The inmates of a jail should be required to do useful labor, and the wages for same passed out to his family or those injured. It is to be hoped the new system will enable the prisoner to better himself by the environment of useful labor.

## Court Notes.

At a short session of court on last Saturday the following business was transacted:

Upon petition of all the heirs an order was awarded to sell the real estate of David Bruce Blythe, late of Fairfield, a property in that town, and Dr. N. C. Trout was named the trustee to make the sale, bond in \$400.

The sale of the property of the Welty heirs in Gettysburg to C. B. Dougherty for \$305 was confirmed. Affidavit of value of real estate was filed to perfect petition of heirs of John Chronister, late of Reading township for order of sale.

Order was granted for sale of real estate of the late George S. Wildasin, bond in \$600.

Order was granted for sale of real estate of the late John F. Rohrbaugh, bond in \$1500.

The Court filed an opinion in the matter of exception to report of viewers on the proposed road in Mt. Joy township, holding that the termini had not been described in relation to the nearest public road as the law required.

In case of First National Bank of Holyoke, Colorado, vs. Edward L. Dick and Alma V. Dick, rule was made absolute that plaintiff as a foreign corporation give security for costs.

Subpoena in divorce was awarded in case of Cora M. Staley vs. Willis A. Staley.

## State Boards Order Town Clean-up.

The Town Council last week received a communication from Dr. Samuel G. Dixon, Commissioner of Health for Pa.

"Unless the sanitary conditions of Gettysburg are improved immediately by the State Department of Health will be compelled to take charge of your municipality under Act of Assembly providing for such emergencies."

On last Thursday Dr. B. F. Royer representing Dr. Dixon came to town and made an inspection of the town. In the evening he conferred with the local Board of Health and the following recommendations were determined upon to be made to the Town Council.

First, that all pig pens in the borough be abolished.

Second, that all water closets be so screened and darkened as to prevent the possible breeding of flies therein.

Third, that an inspector and superintendent—two men—be employed to make daily inspections of all premises in the town to see that sanitary conditions are maintained. These recommendations were submitted to the Town Council and the first one was referred back to the Board of Health to do away with all pens found by them to be nuisances. The other recommendations were adopted and an appropriation of \$400 was made to provide for daily inspection. The Property Committee was instructed to find a suitable place for the disposal of garbage.

## The Man in Evening Clothes.

One of the six books of fiction most in demand at the Mercantile Library, Philadelphia, last week was "The Man in Evening Clothes," by John Reed Scott, of this place. This latest novel of Mr. Scott's has caught the public's eye and favor. It has been favorably received and unstintingly praised by the critics and journals. It has been heralded as a story full of thrills and surprises. It is located in the same atmosphere—Washington—as his previous story, "The Cab of the Sleeping Horse." It has all the snap and go of Mr. Scott's earlier stories and something more. The hero, a man well connected but with inadequate funds, who has the entrée to the most exclusive circles, finds his expensive tastes outstripping his limited income. One evening, returning to his apartment, he discovers in his clothes a pearl of great price which, worn by his hostess, had, he inferred, become separated from its setting and had happily lodged in his waistcoat. Callously deciding that the chance of discovery is slight and that under all circumstances he would be above suspicion he resolves to retain the pearl. The ease with which he has acquired this treasure prompts him to attempt deliberately to purloin other gems from the houses where he is entertained. Can such a man finally make good is a suggestion presented in the telling.

## Telephone Service in Camp

With more than 400 Regulars of the United States Army stationed at Gettysburg and many more thousands scheduled to come, the Bell Telephone Company of Pennsylvania has practically completed the telephone work of stringing a cable which contains 50 pair of tiny, paper insulated wires from the Gettysburg central office to the "canvass city" of the soldiers, where there has been set up at this camp a private branch exchange in a regulation army tent with three operators, all Gettysburg College boys, namely, Donald F. Himes, Eddie Book, and John Lippy. This private branch "tent exchange" was installed at the request of the United States Government and has two trunk lines, served by the Gettysburg central office and from it are connected the following stations: Quartermaster Office (2 stations), Quartermaster Store, Quartermaster Construction, 4th Inf. Regt. (2 stations), 7th Inf. Regt. (2 stations), Camp Bakery, Camp Headquarters, 4th Regt. Hospital, 7th Regt. Hospital, Field Hospital, 58th Regt. (2 stations), 59th Regt. (3 stations), 60th Regt. (2 stations), 61st Regt. (3 stations), Camp Headquarters, (2 stations), Commissary.

There are six regiments stationed there at present, namely, Fourth Regiment, commanding officer, Col. Hatch; Seventh Regiment, commanding officer, Col. Jones; Fifty-eighth Regiment, commanding officer, Major French; Fifty-ninth Regiment, commanding officer, Col. Atkins; Sixtieth Regiment, commanding officer, Capt. Dolph; Sixty-first Regiment, commanding officer, Capt. Wright.

Col. Jones is also camp commander and, as yet, Brigade commanders have not been appointed. The total number of soldiers when the regiments are full will be 12,000 and at the present time approximately 250 acres of ground are being used. This figure will, eventually be 750 acres of ground before the summer is over. The cantonment is for the purpose of filling up regiments in the Regular Army and it is understood that not any of the draft units will mobilize at Gettysburg. However, a great deal of telephone traffic, naturally, has resulted from the camp for the army has been said to "live by the telephone."

The operators of this private branch exchange have an adjoining tent "where they have pitched camp" in true regulation style.

## Will Old Turnpikes be Taken Over?

A number of citizens of Franklin county accompanied by two of the county commissioners of that county, with E. C. Keefer, one of the county commissioners of Adams county, had

a conference with State Highway Commissioner Black in reference to the law approved by the Governor on Monday authorizing the purchase of toll roads by State and county on a fifty-fifty proposition.

The particular turnpike the Franklin county people had in view for purchase was the Waynesboro, Greencastle and Mercersburg turnpike. It begins at the Maryland line a mile or more west of Emmitsburg and runs about seven miles through this county and across Franklin county through Waynesboro, Greencastle and Mercersburg and terminates near McConnellsburg, Fulton county, where the pike makes a junction with the Lincoln Way.

Citizens of Franklin county had appeared before the county commissioners on Tuesday and asked that they join in this movement. The commissioners were inclined to the view that they should not only move for the purchase of this pike but practically all the pikes in the county and clear the county of toll roads and they expressed a willingness to go into the movement in order to see whether the greater movement was practical. The whole situation was gone over with State Highway Commissioner Black who expressed himself in favor to the proposition and if the turnpikes can be bought at a reasonable figure the legal machinery for taking them over will be started. Commissioner Black proposes to go over the turnpikes with our county commissioners.

The turnpikes purchased on a fifty-fifty basis under the new law become state roads to be maintained by the State. This is an opportunity that should be taken to bring to an end the toll roads of the county.

The pike from Philadelphia to Lancaster was freed this week. York county is busy with plans to free the Lincoln Way and other toll roads in that county. To be in the progressive procession the toll roads must go.

# SELECTIVE ARMY HAS BEEN DRAWN AT WASHINGTON

Order for Liability for Service  
Established by  
Historic Lottery.

## 258 FIRST NUMBER OUT

Secretary Baker Takes Out Initial Number—Drawing Continues All Day Friday and Throughout Night.

Long List of Numbers Given in Order as Drawn, From Which Those Who Will Be Called to Serve in First Army Will Be Selected.

Washington, July 21.—The drawing for the big United States army was not completed until early Saturday morning. The drawing began at 9:45 Friday morning, and continued throughout the day and night. Altogether 10,500 numbers were drawn from the big fish bowl. It was officially stated that the first 1,000 numbers drawn represented more than 1,000,000 men, and it is not considered probable that men representing any number drawn after the first 2,000 will be called before any exemption board for the first army. The first eight numbers were drawn respectively by Secretary of War Baker, Senator Chamberlain of the senate military committee, Congressman Dent of the house military committee, Senator Warren and Representative Kahn, ranking minority members of the senate and house military committees; Maj. Gen. C. C. Taylor, D. C., acting chief of staff of the army; Maj. Gen. Frank B. Rowland, chief of staff of the army; and Maj. Gen. C. C. Taylor, D. C., acting chief of staff of the army.

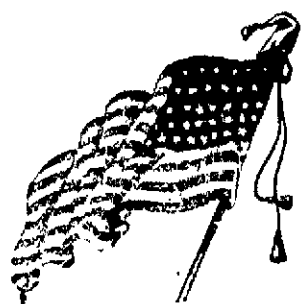

In only a small number of the largest districts will the numbers above a few thousand affect registrants. Of the 4,557 registration districts throughout the country the largest has something over 10,000 numbers, while the smallest has only about 153, and the average is about 3,000. As the drawing proceeded, 157 numbers were withdrawn before one low enough to affect the small district came out. It was 126, placing 4,557 men numbered 126 on their local lists as 157th in order of liability.

The following list shows the numbers in the order in which they were drawn. The first number in each case represents the order in which the second, or red ink, registry, number was taken from the bowl. Four numbers are given in each line. Beginning with the first number, which was drawn by Secretary Baker.

#### Big War Events of Week.

On Tuesday President Wilson signed the aviation bill carrying 640 millions for that service. Brig. Gen. George O. Squier, a pioneer in aviation, and promoting it for the army, will have charge of that branch of the service. He spoke of the appropriation as follows:

"I am not here to make public our plans or to indulge in prophetic figures. The closest estimate I can give about our aeroplane plans is about this: The determination of the allied governments is to enter Germany by the air route, and the United States Government is going to provide enough machines to make itself felt in putting this program through. This is not saying that we will construct 22,000 airplanes or 1,000,000, or ten or a dozen. If I knew how many machines we would construct or could construct in a year, I wouldn't tell, because this would be telling Von Hindenburg, and he'd thank us for the information."

Gen. Goethals has resigned from the shipbuilding program, as the President declares "in a fine spirit of public duty." He is given the President's unqualified admiration for his accomplishments. President Wilson then tactfully asks Wm. Denman who made the trouble for the General to take the self-forgetting course of Gen. Goethals. Rear Admiral Capps, one of the ablest men in the navy on construction work succeeds Goethals and Edwin N. Hurley succeeds Denman. The Goethals program, of steel ships, will be carried out.

President Wilson replies to invitation to express himself upon whether a congressional board of three or Herbert Hoover should have charge of food problem and says the final adoption of the first method could only be interpreted as arising from a lack of confidence in himself. The prospects are good for Herbert Hoover to be in charge of the food program.

Secretary of the Treasury gives the country an eye opener by informing Congress that five billion dollars more will be needed to finance the army and to make all necessary provisions before the next session of Congress meets and makes appropriations in 1918.

#### Selective Draft.

Col. Frank G. Sweeney, in charge of the State registration selective draft has announced the draft quota for the 282 districts in Pennsylvania. The quota of Adams county is 252. It has been estimated that as the exemption may be fifty percent, that it will be necessary to call twice the number wanted to provide the quota. There are 2428 serial numbers assigned to the young men who are liable to be sent under the selective draft. Throughout the country it was necessary to provide serial numbers in districts running up to 10,000. For that reason many of the number drawn do not hit any one in the country, for instance of the first four numbers drawn, only the first one provided a man from Adams county. If one goes down the list as drawn it will be found that you arrive at a drawing in the 24th hundred before striking 500 of the 2428 names on the Adams county list. This issue provides full information to every Adams county man to find out his exact position. Locate your number in the county list and then find the same number in the list as drawn on pages 5 and 6 and you will know his position. If within the first 2400 called, he will be in the first draft. If the same basis holds good the second draft would take from 2400 to 5000, the third from 5000 to 7500. Every one in the first call and no others at present will receive a notice, probably next week it is said, to report for examination, and to make any claim for exemption on or before the seventh day after the date of mailing the notice.

The physical examinations will be made at Gettysburg by the local board.

**Red Blood**

Is good blood—blood that nourishes the whole body, and enables every organ to perform its functions naturally. Many people owe it to HOOD'S SARSAPARILLA, which relieves scrofula, eczema, psoriasis, and all blood humors.

#### DEATHS.

(Continued from page 1.)

**David Powell**, a veteran of the Civil War, died at his home near Cashtown last Saturday from apoplexy, aged 74 years, 4 months and 3 days. He leaves his wife and two sons, Harvey Powell at home, Frederick Powell of near Cashtown, and one daughter, Mrs. Harvey Miller of near Cashtown. He also leaves one brother, Uriah Powell, of near Cashtown, and one sister, of Gettysburg.

**Charles Bowers** of near Biglerville ended his life Thursday evening by cutting his throat with a butcher knife, the jugular vein being severed. He was a son of Mr. and Mrs. Geo. Bowers of Biglerville and about 26 years of age. He had been subject to melancholy and during the absence of his wife at the barn the act was done. When she discovered her husband on the floor of the kitchen, physicians were summoned but he was beyond medical aid when they reached the house. It is said he had been brooding over the possibility of being drafted, though assured that his occupation and wife and child would exempt him. Besides his parents, wife and child he is survived by several brothers and sisters.

**Luella May McClain** infant daughter of Mr. and Mrs. Walter McClain, died at her home near Fountaindale, this county, Sunday, July 15, aged 11 months. Funeral services were held Tuesday of last week at Fountaindale with interment in Fountaindale Cemetery.

**Mildred Virginia Albert**, daughter of Mr. and Mrs. H. N. Albert, died at their home at Gettysburg on Wednesday morning, aged 9 months and 11 days. Funeral Friday by Rev. J. H. Bender. Interment at Mt. Tabor.

#### Physicians in Convention.

The Twelfth Annual Convention of the Physicians of Adams, Franklin, Cumberland and York Counties, composing the Twelfth Centennial District, met in Gettysburg on Thursday. There was an automobile trip over the battlefield in the morning and the physicians convened at the noon hour in the Court House, and were addressed by Dr. Edward Martin of the University of Pennsylvania on "First Dressing of Wounds in Military Surgery." The address was for the physicians alone and greatly interested the forty physicians in attendance. The greetings to the visitors were extended by Dr. Eugene Elgin of East Berlin, president of the Adams County Medical Society. Informal talks were made during the meeting by Dr. Wolff of Arendtsville, Dr. Brown of York, and Dr. Spangler of Carlisle. Following the convention a banquet was served, attended by about 125 persons.

The wives of the physicians accompanied them and were entertained by the local ladies with a luncheon at the home of Dr. and Mrs. J. McCrea Dickson and a ride over the battlefield, returning to join the physicians at their banquet.

#### German Paper on Gettysburg Field.

Dr. Reinhold Koser, General Director of the archives royal in Berlin, the best authority on the Campaigns of Frederick the Great, in an article, giving a survey of the study of history in America, in two of the numbers of the International Wochenschrift zur Wissenschaft Kunst und Technik, a highly prized weekly, issued every Saturday as a Supplement to the Munchener Allgemeine Zeitung (Munich), writes:

"More than seven million dollars (six millions from the Loyal States of the Union, and one million from the general Government) have been spent up to date for buying ground and for the erecting of monuments, tablets, markers, and outlook towers, and every one will yield the palm to America and grant that no battlefield in the world is better marked topographically and artistically than Gettysburg. There are 128 volumes in the 'Official Records of the War of the Rebellion' and this literary monument is a worthy companion piece to the innumerable monuments of stone and bronze on the battlefield of Gettysburg. It is a work that has no rival in the military literature of the nations and a Prussian Staff Officer Baron von Freytag-Loringhoven, lauds it in his work on conducting war based on the 'American Civil War' and says 'The American Government placed itself on the ground of objective history only and has not considered the prestige or fame of any personality involved.'"

#### County Farm Expert.

Through the personal efforts of George B. Bingham, the "War Department" has placed E. W. Lighty of East Berlin, Pa., in the field of free consultation to the farmers of the State. If you wish to have him examine your soil relative to crop production, the use of lime or commercial fertilizer he will come to your farm and make a careful examination and test the soil and report to you the needs for best results. Questions relative to live stock production and management and their relation to soil fertility, the establishment of permanent pasture, production of dairy products economically and swine husbandry will be given special attention. Lectures at farmers' picnics or meetings given if desired. Calls by mail or phone promptly answered.

#### Fail Primary, September 19.

The fall primaries in Pennsylvania will be held on Wednesday, September 19, instead of Tuesday, September 18, as had been stated.

The change of the primary date is due to an amendment to the election laws adopted by the legislature a few days previous to adjournment and signed by the governor.

Announcement is made by George D. Thorn of the State Department, that six parties qualified for column places on the ballot next fall, the list to be run in this order: Republican, Democrat, Socialist, Prohibition, Washington and Delaware Progressives.

The general election day will be Tuesday, November 6.

The last day to file petitions of nomination with the secretary of the commonwealth for the primary is Friday, Aug. 10 and the last day for filing petitions with county commissioners, Wednesday, Aug. 22.

Assessors are sitting at the polls July 18 and 19 instead of July 17 and 18, as formerly, and will return their books July 20 to the commissioners' office.

The last day to pay tax to qualify for the November elections is Saturday, October 6, and the last day to withdraw before the primary is Friday, Aug. 17. No voter will be allowed to vote a party ticket at the primary unless enrolled in that party, township voters to enroll with the assessors at voting places, Tuesday and Wednesday, Sept. 4 and 5.

**NEEDFUL KNOWLEDGE.**  
**Gettysburg People Should Learn to Detect the Approach of Kidney Disease.**  
The symptoms of kidney trouble are many. Disordered kidneys often excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back may ache, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger. Delay often proves fatal.  
You can use no better endorsed kidney remedy than Doan's Kidney Pills. Here's Gettysburg proof of their merit.  
W. N. Flaharty, retired farmer, 311 Washington St., says: "Doan's Kidney Pills have been of great benefit to me and I willingly recommend them. Whenever I have taken them since, they have done good work."  
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Flaharty had. Foster-Milburn Co., Props., Buffalo, N. Y.

There are a great many people who would be very much benefited by taking Chamberlain's Tablets for a weak or disordered stomach. Are you one of them? Mrs. M. R. Searl, Baldwinville, N. Y., relates her experience in the use of these tablets: "I had a bad spell with my stomach about six months ago, and was troubled for two or three weeks with gas and severe pains in the pit of my stomach. Our druggist advised me to take Chamberlain's Tablets. I took a bottle home and the first dose relieved me wonderfully, and I kept on taking them until I was cured."
